

I Want You Back

I encourage you to listen to the original recording of the Jackson 5's performance of "I Want You Back" as a stylistic reference. Please note that the Solo, the TTB part, and later the Solo 2 part, are sung (in falsetto) at the written pitch. When emulating a rhythm guitar: "ga dank gank gank," Solo 2 should be softer than the other voices. You may also choose to add vocal percussion or finger snaps throughout the piece.
